Don't be discouraged by obstacles, give them to God and He will help you.

We can worship Jesus in many different ways. We worship Him when we obey Him, when we read our Bible, when we pray, or when we tell others about Him. We can also worship Him by singing songs of praise to Him, which is one thing we can do right now!

Watch these videos from Yancy Ministries and sing along.

God helped the Israelites take down the walls of Jericho. The Israelites were facing a major obstacle and they didn't have the tools to take down the wall, but that's ok, God was going to help them. We don't need to be scared of the obstacles in our way because we have God who helps us with out obstacles. Our verse reminds us that God is with us wherever we go and He will help us with our obstacles.

Let's look at our Bible verse for today.

Have I not commanded you? Be strong and courageous.
Do not be frightened, and do not be dismayed,
for the Lord your God is with you wherever you go.

Recap

God helped the Israelites take down the walls of Jericho. The Israelites could not take down the walls of Jericho on their own, but God was with them and helped them. The Israelites just needed to follow His instructions, and they did. When we face obstacles, we need to remember to give them over to God. He will help us with the obstacles in our life. Just like He helped the Israelites. Don't be discouraged by obstacles, give them to God and He will help you.
